## Unlock: Unlock Level 4 Listening and Speaking Skills Student's Book and Online Workbook (Mixed media product)

By Lewis Lansford

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2014. Mixed media product. Condition: New. Language: English. Brand new Book. Unlock is a five-level academic skills course that combines carefully scaffolded exercises, a comprehensive approach to critical thinking and motivating video. Unlock Listening and Speaking Skills Level 4 provides 60-90 hours of classroom material. Access to the Online Workbook is provided via a code packaged with the Student's Book. Critical Thinking sections give students frameworks to formulate their own opinions and express themselves effectively in the end-of-unit academic tasks. Unique research into common learner errors (using the Cambridge English Corpus) focuses the language used in Unlock on those areas learners find most challenging. Videos from Discovery Education (TM) (accessible via the Cambridge Learning Management System and supplied on the Teacher's Book DVD) provide new angles on a range of academic subjects.

### Reviews

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Brennan Koelpin

*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Bernie Mante PhD
